This is not an account statement of Walnut Street Securities or any other financial institution. This report is provided as an accommodation only, and the values contained in this report are simply intended as a general guide. Note: This report is compiled using information obtained from clearing firms, mutual fund companies, insurance companies, and other financial institutions. However, Walnut Street Securities neither independently verifies nor guarantees the accuracy of any information obtained from third parties. You are advised to verify the accuracy of this information directly with the supplying institution. Due to market fluctuation, prices may vary from actual liquidation value. Investment return and principal value will fluctuate with changes in market conditions such that your investment may be worth more or less than original cost when redeemed. Values are presented as available on the date of the report. The contents of this report should not be relied upon to compute taxes, for lending, or for legal purposes. Please use the individual statements you receive directly from the financial institutions to verify the activity and value of your accounts.
